EDUCATION

Lahore University of Management Sciences

Lahore, Pakistan

Master's in mathematics - CGPA: 3.88/04

May 2025

Related coursework: Discrete and continuous dynamical systems, probability theory.

Thesis: Existence of invariant and ergodic measures on Deterministic and Random dynamical system.

COMSATS University Islamabad

Lahore, Pakistan

Postgraduate Diploma in Mathematic

May 2023

Related coursework: Ergodic theory, functional analysis, measure theory.

University of Peshawar

Peshawar, Pakistan

Bachelor's in mathematics - CGPA: 3.92/04

Aug 2022

Related coursework: Real Analysis, numerical analysis, algebra, differential equations.

Thesis: Improvements of the discrete and integral version of Jensen's and Slater's inequality.

EXPERIENCE

Lahore University of Management Sciences

Lahore, Pakistan

Graduate Teaching Assistant

Jan 2024 - Present

- Support 80 undergraduate students mastering Probability concepts by conducting weekly tutorials.
- Develop quizzes and assignments to assess understanding, and host office hours for personalized academic guidance.
- Improved student engagement and comprehension, reflected in higher overall class performance.

Lahore University of Management Sciences

Lahore, Pakistan

Volunteer in Math's circle

Oct 2023 - Present

- Assist in facilitating problem-solving sessions and mentoring school level students in basic mathematics.
- Develop engaging activities and interactive learning experiences to make math enjoyable.
- Enhanced student interest in mathematics, fostering a positive and fun learning environment.

Lahore University of Management Sciences

Lahore, Pakistan

Representative of the International Mathematics Master (IMM)

Sept 2023 - present

- Serve as the liaison between LUMS and ICTP to facilitate communication and coordination for the IMM program.
- Coordinate class schedules with LUMS faculty and ensure smooth communication between LUMS and ICTP for program activities.
- Streamlined operations, improving the efficiency of program activities and fostering collaboration between the institutions.

Math's Volunteers

Peshawar, Pakistan

Regional Director

Jan 2023 - Present

- Identified a need to support students in developing their mathematical skills and confidence.
- Organized online seminars and provided free educational resources to facilitate learning.

PRESENTATIONS

- | | | |
|--------------------------------------|-------------------|------------|
| • Introduction to Math's Volunteers. | Peshawar Pakistan | 6 Jan 2024 |
| • Campaign About IMM Program. | Peshawar Pakistan | 4 Dec 2023 |

Conferences and Seminars

- | | |
|--|---------------------------------|
| School and Workshop on Dynamical Systems. | Trieste, Italy |
| • <i>Role:</i> Attendee | 22 July 2024 - 8 Aug 2024 |
| • <i>Topics:</i> Complex Dynamics, differentiable dynamics, ergodic theory, fractal dimensions, homogenous dynamics, nonuniformly hyperbolic dynamics, partially hyperbolic dynamics and parabolic dynamics. | |
| CIMPA School on Applied Number Theory. | Ho Chi Minh, Vietnam |
| • <i>Role:</i> Attendee | 03 June 2024 - 14 June 2024 |
| • <i>Topics:</i> Algorithmic number theory, elliptic curves, algebraic coding theory, and isogeny-based cryptography. | |
| Conference on Recent Trends in Mathematics. | Lahore, Pakistan |
| • <i>Role:</i> Attendee | 01 June 2024 - 02 June 2024 |
| • <i>Topics:</i> Numerical analysis, computational techniques, artificial intelligence, osteoporosis modeling, beam design, root clustering, data science. | |
| CIMPA School on Algebra and Algebraic Geometry. | Lahore, Pakistan |
| • <i>Role:</i> Attendee, organizer | 26 February 2024 - 8 March 2024 |
| • <i>Topics:</i> Combinatorial algebra, tropical combinatorics, graphical models, symmetry and complexity reduction, data analysis and machine learning, algebraic statistics, and chemical reaction networks. | |
| CIMPA School on Recent Advances in Combinatorics. | Lahore, Pakistan |
| • <i>Role:</i> Attendee | 01 Nov 2022 - 11 Nov 2022 |
| • <i>Topics:</i> Combinatorics, tropical convexity, commutative algebra, metric spaces over groups, signed and addressing graphs, and graph theory. | |

HONOURS AND AWARDS

- | | |
|--|------|
| • IMM-LUMS Fellowship - International Center of Theoretical Physic | 2023 |
| • IMM-COMSATS Fellowship - London Library | 2022 |
| • Gold Medal-University of Peshawar | 2022 |
| • Ehsaas Undergraduate Scholarship - Government of Pakistan | 2020 |

SKILLS AND INTERESTS

- *Skills:* MATLAB-Intermediate, Python - Basic, Latex - Good.
- *Interest:* Mathematics behind rubric cubes, play cards, chess, farming.
- *Language:* Pashto - Native, Urdu – Good, English – Good.
